Press Release No. 3/2017

H.H. the Emir Honors "Kuwait Investment Forum" with Patronage and Attendance

Date: December 24, 2017

Kuwait Direct Investment Promotion Authority (KDIPA) announced that H.H. the Amir of Kuwait, Sheikh Sabah Al Ahmad Al Jaber Al Sabah, has honored with his approval of patronage and attendance "Kuwait Investment Forum" (KIF) in its second edition, jointly organized with Kuwait Chamber of Commerce & Industry (KCCI), which will be held on March 20 and 21, 2018.

Commenting on the gratifying approval of H.H. the Amir, the Chairman of KCCI, Mr. Ali Thunayan Al-Ghanim, stated that this indicates H.H.'s exceptional attention to economic and investment affairs, demonstrating the government's commitment to encourage and settle value added investments favorably impacting the Kuwaiti economy.

In this respect, the Chairman of KCCI restated that this is a remarkable event, which will be bringing together the Kuwaiti private sector with a vast group of international foreign investors interested in investing in the dynamic Kuwaiti market, as it provides an adequate platform for showcasing lucrative investment opportunities in both the public and private sectors.

On his part, Sheikh Dr. Meshaal Jaber Al Ahmad Al Sabah, KDIPA Director General, expressed his deep gratitude and sincere appreciation that H.H. the Amir has honored KIF with both his patronage and attendance, which is a true expression of H.H. the Amir's genuine support to this event, which aims to invigorate the Kuwaiti economy and expedite its ability to cope with economic changes witnessed all over the world.

KDIPA's Director General concluded by expressing the need to join all concerted efforts by various stakeholders in the public and private sectors in order to make this event a true success and worthy of the confidence entrusted in it by H.H. the Amir, and to optimally utilize it as a valid channel to serve national efforts to enhance Kuwait's competitiveness and streamline business environment, as well as attaining the National Vision 2035 pillars, especially focusing on supporting a leading role of the private sector in the economic activities.
